python tests/test_agent.py task2

python tests/test_agent.py task3

python tests/test_agent.py task4

```
(venv) myrepo student$ python tests/test_agent.py task4

  Task 4 - Memory

  ✓ PASS [+5pts] AgentCore Memory udacity_agentcore_memory-dN2kcr9Tr1 is ACTIVE
  ✓ PASS [+5pts] Memory uses the SESSION_SUMMARY (summaryMemoryStrategy) strategy
  ✓ PASS [+5pts] Memory eventExpiryDuration is 7 days

  Score: 15/15 pts (100%)

  🎉 Perfect score! All tasks complete.
```

python tests/test_agent.py task5

```
  Score: 25/25 pts (100%)

  🎉 Perfect score! All tasks complete.
```

(venv) myrepo student$ python tests/test_agent.py task5

Task 5 - Bedrock Knowledge Bases

✓ PASS [+5pts] RETURNS_KB_ID is set in environment (L7FKDZ4UKG)

✓ PASS [+0pts] Returns Knowledge Base is ACTIVE

✓ PASS [+0pts] Returns KB uses amazon.titan-embed-text-v2:0

✓ PASS [+0pts] Returns KB data source has a completed sync

✓ PASS [+5pts] SHIPPING_KB_ID is set in environment (DIVBTAMRCJ)

✓ PASS [+0pts] Shipping Knowledge Base is ACTIVE

✓ PASS [+0pts] Shipping KB uses amazon.titan-embed-text-v2:0

✓ PASS [+0pts] Shipping KB data source has a completed sync

✓ PASS [+5pts] WARRANTY_KB_ID is set in environment (WB3SNDYONJ)

✓ PASS [+0pts] Warranty Knowledge Base is ACTIVE

✓ PASS [+0pts] Warranty KB uses amazon.titan-embed-text-v2:0

✓ PASS [+0pts] Warranty KB data source has a completed sync

✓ PASS [+5pts] All three Knowledge Bases return passages for a policy question

[PARALLEL RETRIEVAL - START] Spawning 3 sub-agents concurrently via ThreadPoolExecutor

---

+-- [SUB-AGENT 01] ReturnsRetriever KB-ID: L7FKDZ4UKG

+-- [SUB-AGENT 02] ShippingRetriever KB-ID: DIVBTAMRCJ

+-- [SUB-AGENT 03] WarrantyRetriever KB-ID: WB3SNDYONJ

Retrieving in parallel... (sub-agent output suppressed - clean results printed sequentially after [END])

Tool #1: retrieve_warranty_policy

Tool #1: retrieve_returns_policy

Tool #1: retrieve_shipping_policy

Based on the retrieved returnsBasedBased on the retrieved policy information on the warranty shipping: policy documents, here policy information is

Return: the information Window for Premium Customers:

- Premium tier customers have for

Return Window for Premium Customers:

- Premium tier customers have an an premium customers:

Return Window for " Premium Customers:

- **Extended **Extended 60-day return window**extended 60-day return window** 60-day return window"

**Warranty Duration for

Warranty:

- **

Warranty:

- ** Premium Customers:**

- **3Standard warranty:** AllStandard warranty:** All-year warranty on electronics**

For NovaMart products come with a comparison NovaMart products come with a ** ", Standard1-year limited warranty**1-year limited warranty against manufacturing def tier against manufacturing defects

- **Electronicsects. customers receive:** Electronics carry a 2-year warranty a 30."

- **Premium Carry-day return window and a **2-year warranty** customer (for warranty:** Premium tier customers receive an "1-year warranty on electronics.automatic 3-year warranty on all standard Electronics" customers

So)

- **Premium customer premium customers get a warranty:** Premium 60-day return window and a tier customers receive an **automatic 3-year warranty on 3-year warranty on electronics (all Electronics**

Forcompared comparison to the, Standard standard tier customers have 2 a -year warranty for electronics30-day return window and 1-year warranty on electronics.).

[PARALLEL RETRIEVAL - END] All 3 KBs responded Elapsed: 5.3s

[SUB-AGENT 01] ReturnsRetriever KB: L7FKDZ4UKG

| Based on the retrieved returns policy information:

| **Return Window for Premium Customers:**

| - Premium tier customers have an "Extended 60-day return window"

| **Warranty:**

| - **Standard warranty:** All NovaMart products come with a "1-year limited warranty against manufacturing defects. Electronics carry a 2-year warranty."

| - **Premium customer warranty:** Premium tier customers receive an "automatic 3-year warranty on all Electronics"

| So premium customers get a 60-day return window and a 3-year warranty on electronics (compared to the standard 2-year warranty for electronics).

[SUB-AGENT 02] ShippingRetriever KB: DIVBTAMRCJ

| Based on the retrieved shipping policy information:

| **Return Window for Premium Customers:**

| - Premium tier customers have an **extended 60-day return window**

| **Warranty:**

| - **Standard warranty:** All NovaMart products come with a **1-year limited warranty** against manufacturing defects

| - **Electronics:** Carry a **2-year warranty** (for standard customers)

| - **Premium customer warranty:** Premium tier customers receive an **automatic 3-year warranty on all Electronics**

| For comparison, Standard tier customers have a 30-day return window and 1-year warranty on electronics.

[SUB-AGENT 03] WarrantyRetriever KB: WB3SNDYONJ

| Based on the warranty policy documents, here is the information for premium customers:

| **Return Window for Premium Customers:**

| - **Extended 60-day return window**

| **Warranty Duration for Premium Customers:**

| - **3-year warranty on electronics**

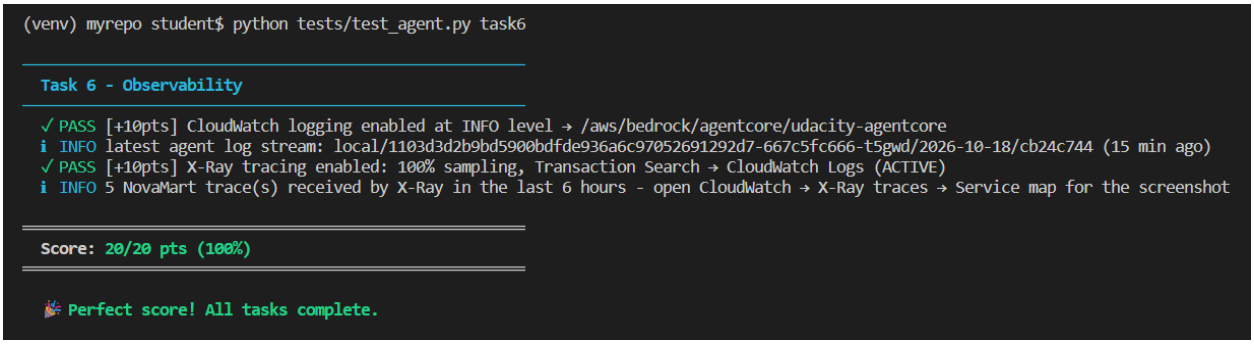

| For comparison, Standard tier customers receive a 30-day return window and 1-year warranty on electronics.

✓ PASS [+5pts] search_all_policies() returned combined results from the three retrievers (5.3s)

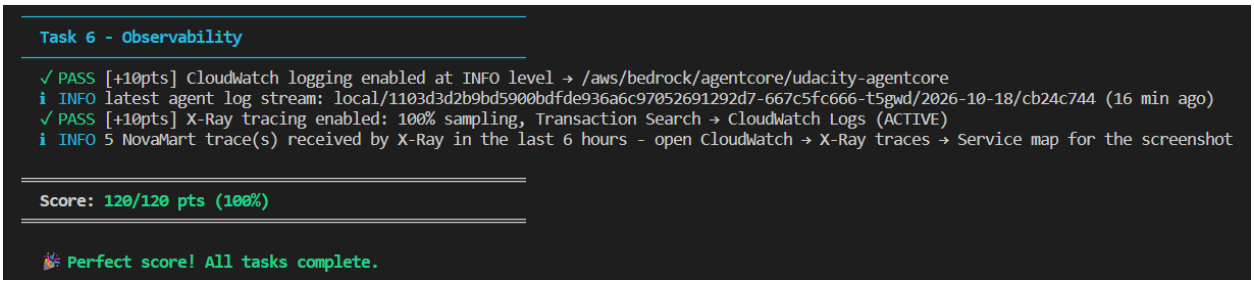

Score: 25/25 pts (100%)

🎉 Perfect score! All tasks complete.
